VOLUNTEER/INTERNSHIP GRAZERUMWELTZIRKUS

The Environment Department of the City of Graz invite its citizens to participate in the festival GrazerUmweltZirkus, on April 29th, 2016. The theme of 2016's edition of GrazerUmweltZirkus is "Hot City - Cool Minds". GrazerUmweltZirkus is an empowering, participatory and fun event, evolving around the citizens' experience of what sustainability can mean for each and everyone of us.

In the spirit of creating a new movement for sustainable life in the city, GrazerUmweltZirkus offers the citizens of Graz an experience on how to mitigate climate change and reduce and avoid heat in the city.

In the week before GrazerUmweltZirkus, and on our big day, April 29th, we need your help to organise a successful, interesting and beautiful event.

Volunteering at GrazerUmweltZirkus allows you to gain practical experience through a short and intense period. You can help throughout week 17, and/or on April 29th all day. If you only have a few hours on April 29th to spare, that can be arranged as well. At GrazerUmweltZirkus you can help out with simple or more complex tasks, as a team member or a team leader.

The Good Tribe organises all work done by the volunteers/interns, and you have the opportunity to work closely together with organisations that deal extensively with the issue of sustainability.

As a token of appreciation, you will receive a goodie bag with sustainable products. We're also happy to supply you a written confirmation of your participation and performance, should you request so. Volunteering and internships are pro bono. Your time is very valuable to us.

We need volunteers/interns for:

- distributing posters and flyers
- the main information tent
- build-up and tear-down
- documentation (movie, photo, texts)
- social media updates
- caring for visitors, exhibitors and workshop facilitators
- the food court

Are you the person we're looking for?

- You like working in a team, you are sociable and open-minded.
- You are passionate about sustainability and/or want to learn more about it.
- You can help us during a couple of hours, all day or several days.
- As a volunteer/intern you are 18 years or older, minors can be allowed with written consent from parent or other legal guardian.
- You speak German and/or English.

At GrazerUmweltZirkus you'll meet and collaborate with peers. You'll make new friends, acquire new knowledge and have lots of fun!

Questions and registration

If you want to be a volunteer/intern at GrazerUmweltZirkus, sign up here: <http://bit.ly/1OrB6lL>
